Dermatology Open House: Take the guesswork out of skin rejuvenation treatments

Pensacola, Fla. — With so many treatments available for skin rejuvenation, choosing the correct treatment can be an overwhelming experience.

Dr. Rahul Chavan, dermatologist at Sacred Heart Dermatology and Laser Center, is hosting an open house to educate attendees about the latest treatments available to help restore their natural beauty.

Dr. Chavan will discuss the latest treatments and innovative technologies available to address specific skin needs. During his presentation, he will discuss laser skin resurfacing, intense pulsed light, microneedling, platelet rich plasma treatment, dermal injectables and fillers, and HydraFacial. Those who attend will also receive special discounts on services.

Join Dr. Chavan on Thursday, April 26 from 3 p.m. to 6 p.m., at Sacred Heart Medical Group at Airport Medical Park located at 1549 Airport Blvd, Suite 200-C, Pensacola, 32504. Refreshments will be served.

To RSVP, contact Sacred Heart Dermatology and Laser Center at 850-416-1345.

About Sacred Heart Health System

On the Gulf Coast, Ascension operates Sacred Heart Health System based in Pensacola, Fla. and Providence Health System based in Mobile, Ala. Together, these Ascension healthcare facilities have served Gulf Coast communities for more than 160 years and they employ more than 6,600 associates. Across the region, Ascension provided more than \$113 million in community benefit and care of persons living in poverty in fiscal year 2016. Ascension is a faith-based healthcare organization committed to delivering compassionate, personalized care to all, with special attention to persons living in poverty and those most vulnerable. Ascension is the largest non-profit health system in the U.S. and the world's largest Catholic health system, operating 2,500 sites of care – including 141 hospitals and more than 30 senior living facilities – in 24 states and the District of Columbia. For more on Sacred Heart Health System, visit www.sacred-heart.org.
