Baptist Health Care Named Vizient Top Performer

PENSACOLA, Fla. (May 18, 2018) Baptist Health Care has been named by Vizient as a Top Performer for Performance Solutions Excellence. Baptist Health Care was one of five health systems chosen from Vizients membership for outstanding work that focused on enhancing operational efficiency and aligning clinical care delivery to achieve documented cost savings in 2017.

We greatly appreciate our physicians, clinicians and team members for this success, said Mike Gleason, BHC chief operating officer. They focus on providing excellent care to our patients while identifying and implementing strategies that maximize efficiency and effectiveness in the care we provide."

Baptist Health Care has done an excellent job of improving their operational efficiency while also advancing clinical alignment, said Rand Ballard, chief customer officer for Vizient. Their model brings together supply chain and category experts who provide comprehensive total cost and quality data, enabling their physicians to make informed decisions on what is best for patient care. Vizient, Inc. is the largest member-driven health care performance improvement company in the country, serving a diverse membership base that includes academic medical centers, pediatric facilities, community hospitals, integrated health delivery networks and non-acute health care providers.
