## Imagine a Trauma-Informed Care Community for At-Risk Youth

**Pensacola, Fla. (May 11, 2018)** – Lakeview Center will present a free viewing of “Paper Tigers” the Documentary. The community is invited to attend and learn how to become a Trauma-Informed Care community for at-risk youth.

Lakeview has shown the film in past years, but again encourages everyone to attend and learn about the positive impact of Trauma-Informed Care on at-risk youth by seeing how it worked at one high school. Having the film as baseline knowledge will enhance understanding at the annual fall conference.
