

## **Chick-fil-A Leader Academy Sponsors “Carnival for Joy”**

*- Saturday, June 2, 9:00 -12:30 @ Bayview Park*

Pensacola, Florida - A group of twenty high school sophomores and juniors from Trinitas Christian School invites the entire community to a “Carnival for Joy” at Bayview Park from 9:00 -12:30 on Saturday, June 2. All proceeds will go to support Genes of Joy, a local non-profit organization which provides much-needed assistance for children with Down syndrome and their families.

The Trinitas students are members of Chick-fil-A Leader Academy which empowers high school students while training them to lead in their communities through action.

After considering many options, the students decided that the best way to reach out to the community was through a carnival. Carnivals bring families together and are centered around family fun. The Carnival for Joy is the students’ way of getting the entire community involved in such an important cause.
