ECSD NEWS RELEASE

July 25, 2018
For Immediate Release

ECSD Orientation Schedules

All families with students new to Escambia County schools are strongly encouraged to visit their neighboring school, or the School Choice Office in the J.E. Hall Center, as soon as possible to register their student for school.

Families with students who are returning to an ECSD school who have a new address or contact information, are asked to visit their school ASAP to update our data base.

Addresses are used to create bus routes and determine stops – and phone numbers allow Transportation to contact homes in the case of a bus schedule delay.

All families are encouraged to take care of any registration needs BEFORE August 9th so that Orientation can be a time to visit your student's school and meet teachers and classmates.

Reminder: The first day of school for students is August 13th.

Visit the Escambia County School District's web page (ecsd-fl.schoolloop.com) for a list of schools and their phone numbers. Visit the Families page for more information including school supply lists, school start & release times, the Free & Reduced lunch Application (starting Aug.1. 2018) and many more resources.
