Oncologist Joins Sacred Heart Cancer Center in Pensacola

PENSACOLA, Fla. – Medical oncologist and hematologist Lonnie Miller, MD, has joined Sacred Heart Cancer Center in Pensacola, located at 1545 Airport Blvd.

Dr. Miller is accepting new patients and most major insurance plans. For information or to schedule an appointment, call 850-416-6933 or visit sacred-heart.org/cancer.

A retired major in the Army, Dr. Miller has 20 years of military experience. He was deployed to Afghanistan and is a veteran of Operation Desert Storm.

Dr. Miller received his medical degree from the University of Mississippi School of Medicine, and he completed residency training in internal medicine at Eisenhower Army Medical Center in Ft. Gordon, Georgia, where he served as chief resident. He received a fellowship in hematology/oncology at San Antonio Military Medical Center in Texas, where he went on to serve as director of clinical research.

Dr. Miller is board certified in hematology and medical oncology. He has served as principal investigator in six clinical trials, and his research has been published in national, peer-reviewed journals, including "Journal of Clinical Oncology" and "Journal of Invasive Cardiology." He is a member of the American Society of Hematology, the American Society of Clinical Oncology, the American Society of Bone and Marrow Transplant, the American College of Physicians and the American Medical Association.

Sacred Heart Cancer Center provides patients with the highest standard of cancer care and the most advanced technologies available to fight cancer. Led by highly skilled cancer specialists and radiation oncologists, our therapies include chemotherapy, radiotherapy, infusion therapies and the newest diagnostic and surgical techniques for treating cancer. Sacred Heart is the only hospital in Northwest Florida affiliated with MD Anderson Cancer Network®. For more information about Sacred Heart Cancer Center, call 850-416-6933 or visit sacred-heart.org/cancer.

About Sacred Heart Health System

In Florida, Ascension operates Sacred Heart Health based in Pensacola and St. Vincent's HealthCare based in Jacksonville. Together, Ascension operates seven hospitals and more than 100 other sites of care, and they employ nearly 10,000 associates. Across the region, Sacred Heart and St. Vincent's have served North Florida communities for more than 145 years. In fiscal year 2017, they provided \$168 million in community benefit and care of persons living in poverty. Ascension (www.ascension.org) is a faith-based healthcare organization dedicated to transformation through innovation across the continuum of care. As the largest non-profit health system in the U.S. and the world's largest Catholic health system, Ascension is committed to delivering compassionate, personalized care to all, with special attention to persons living in poverty and those most vulnerable. Ascension includes approximately 165,000 associates and 34,000 aligned providers. Ascension's Healthcare Division

operates more than 2,600 sites of care – including 153 hospitals and more than 50 senior living facilities – in 22 states and the District of Columbia. For more information on Sacred Heart Health System, visit www.sacred-heart.org.
