Bayview Senior Center to be Renovated

The City of Pensacola Parks and Recreation Department has planned renovations at the Bayview Senior Center to take place starting next month. The senior center is scheduled to temporarily close its doors on September 4, 2018 with an anticipated reopening date near the end of February 2019.

Renovations will include modernization of the restrooms for ADA compliance; new interior paint, lighting, and flooring; hand rails installed throughout common areas; and new HVAC system.

The City has partnered with Escambia County to continue Bayview Senior Center's daytime programming at the Brownsville Community Center, located at 3100 West Desoto St. during the renovation. Operating hours for Bayview's programming at Brownsville will be Monday-Friday 8:00 a.m. to 4:00 p.m.
