

The Clover Pick A Bowl Fill A Bowl

Manna's The Clover Pick A Bowl Fill A Bowl event slated for September 7

Join us in the fight against hunger at Manna's annual fundraiser, The Clover Pick A Bowl Fill A Bowl. The event hosted by Pensacola State College will be held Friday, September 7, from 6:00 p.m. to 8:00 p.m., at the Lou Ross Center.

This unique event with an artsy twist features the work of local artists, a silent auction, and the fare of local vendors. Choose a one-of-a-kind clay bowl to keep and sample some of the best soups in town!

The annual event has been renamed in honor and memory of longtime supporter Bill Clover. Clover, a Pensacola State College Visual Arts Professor, was instrumental in starting and sustaining the 11-year event that has raised money to help thousands of hungry people.

This event is made possible by the faculty, students and friends of the Pensacola State College Visual Arts Department, First City Arts Center, local artists, businesses, and vendors providing sponsorships and donations of art, food, beverages and other in-kind goods and services.
