## Lucy's Signature

### T-BONE STEAK WITH LEMON CHIVE BUTTER

#### INGREDIENTS

- 4 t-bone steaks
- 1 tablespoon olive oil
- kosher salt
- black pepper

#### LEMON CHIVE BUTTER

- 1 stick unsalted butter, at room temperature
- 1 whole garlic clove, grated
- zest of 1 whole lemon
- ½ cup grated parmesan cheese
- ¼ cup chopped fresh chives, thin sliced
- ½ teaspoon kosher salt
- 1/8 teaspoon black pepper

#### DIRECTIONS

Pre-heat a grill or grill pan to medium high to high heat. Rub steaks on both sides with olive oil and season liberally with kosher salt and black pepper. Mix together lemon chive butter ingredients in a small bowl. Place lemon chive butter mixture on a large piece of plastic wrap. Folding plastic wrap over, shape into a 6-8 inch cylinder. Wrap plastic wrap around tightly so the butter holds the shape. Place in the freezer until ready to use. Grill steaks for 6-8 minutes on the first side. Flip and continue to cook for a few minutes on the other side. Grill until your desired degree of doneness is reached. Internal temperature will read 135 degrees for medium. Slice off a piece of the lemon chive butter and melt over hot steak.
