

Absolutely Incredible Kid Day[®] 2019

How often do we stop to tell the kids and teens in our lives how incredible they are? What impressive qualities you observe in them? Applaud who they are as a person and not just the good things they do?

Founded by Camp Fire in 1997, *Absolutely Incredible Kid Day*[®] (AIKD) is a national celebration that lifts up the kids and teens in our lives.

ABSOLUTELY
incredible
the **KID DAY**[®] **Every year, on the third Thursday of March**, thousands of adults send notes, emails, letters, texts, and videos (you choose!) to encourage and inspire young people across the country. "The medium doesn't matter, but message does: *"You are incredible, and here's why."*

YOU can participate in our *Absolutely Incredible Kid* Letter Writing Extravaganza on **Saturday, February 23, 2019 at 12 PM – 4 PM** at Cordova Mall, 5100 N 9th Ave, Pensacola, Florida 32504.

Families and other caring adults will be able to use AIKD letterhead to write encouraging letters to children in their life or an anonymous elementary student in Escambia or Santa Rosa Counties. We will have a table in the food court of Cordova Mall, markers, pens and colored pencils, and example letters for your inspiration.

Inspire, encourage, and uplift a kid in your life this March! Join us to help make AIKD happen!
