

## ECSD 2018 Battle of the Books Results

Battle of the Books is an annual competition that challenges students to read a set of books designated as Sunshine State Readers for grades 3-8 or Florida Teen Reads for grades 9-12. Then they form teams and compete against other teams in their grade level to find out who remembers the most facts, or who can make the best comparisons and connections between the books. Team members have been reading these books all year and they have been quizzing each other and practicing for the Battle for months. They must work together and quickly to get all of the questions answered within a 12 minute time limit. This year, 95 teams, comprised of 429 students from K-12 schools in Escambia County , competed in the Battle.
