

Bio-One Inc. Announces New Veteran Owned Location in the Pensacola Community

Bio-One Inc. has announced the opening of its newest franchise, in the Pensacola community. This location will serve the Pensacola area, and surrounding areas, as well as, assist all other franchised locations.

Bio-One Pensacola is owned by U.S. Army veteran, Gabriel Montenegro and his wife, U.S. Marine Veteran, Rebecca Montenegro. Gabe and Rebecca were both civilian contractors in Afghanistan after their time in the military. After the military and contracting they both realized they had the desire to help others and give back to their community. Gabe and Rebecca chose to start Bio-One to become more involved in serving their community and helping families in their greatest time of need.

"This is quite an honor for us, to have Gabriel and Rebecca Montenegro owning a franchise in the Pensacola area. The fact that we found a local couple who has a passion to help their community, gives us great pride at our corporate offices that we have the right people owning a franchise in Pensacola," said Jason OBrien, CEO of Bio-One Inc. "Having Gabriel and Rebecca aboard signals that our constant efforts towards business and service excellence is paying off. We are proud to include Gabriel and Rebecca Montenegro, and Bio-One Pensacola in our Bio-One family."
