Community Health Northwest Florida Welcomes New Nurse Practitioners to Staff

Pensacola, FL - Community Health Northwest Florida, formerly Escambia Community Clinics, welcomes Nurse Practitioners Tiffany Briggs, RN, BSN, CNM and Amanda Ray, APRN, CPNP-PC to its medical provider staff.

Tiffany Briggs holds board certification as a Certified Nurse Midwife and a Masters of Science in Nursing from Frontier Nursing University in Hyden, KY. She also received her Bachelor of Science in Nursing from Florida A&M University and performed a clinical rotation with Community Health Northwest Florida Women's Care program. She will join the provider staff at CHNWF Women's Care, 5855 Creek Station Drive in Pensacola, offering well woman, prenatal and post delivery care for health center patients.

Amanda Ray, CPNP-PC is a Board Certified Pediatric Nurse Practitioner and holds a Master of Science in Nursing from University of Alabama at Birmingham. She is a BSN graduate of the University of West Florida Nursing program and holds an Associate of Science in Nursing from Pensacola State College. Amanda will join the provider staff at the health center's Pediatric Convenient Care location 5375 North 9th Avenue in Pensacola. This new clinic provides same-day pediatric sick child care without an appointment, giving families a convenient extended hours option for walk-in treatment seven days a week.

Since 1992, Community Health Northwest Florida has served residents of Escambia and Santa Rosa Counties and surrounding areas. Since 2007, it has been the area's only Federally Qualified Health Center (FQHC). A Florida Medicaid, Humana and Lighthouse managed care provider, the organization also accepts Alabama Medicaid at some locations and as well as many private health insurances. A sliding fee scale program for those individuals who do not have insurance coverage is offered to eligible patients. For more information, visit Community Health Northwest Florida's web site at healthcarewithinreach.org.
