## DEX imaging

### Who is DEX Imaging?

#### The Nation's Largest

We are the largest independent office equipment dealer in the United States, represent numerous brands, and we use our combined buying power to offer both choice and affordability to you.

#### A Local Touch

We maintain local offices in each market we serve, which allows us to keep replacement parts and service close at hand.

#### Committed to the Community

Our business was formed with the proposition that we return 1/3 of our profits to charities, education, and sports initiatives that improve the quality of life in our local communities.

#### More Than Hardware

Far more than office equipment, we specialize in streamlining your entire document infrastructure and optimizing the flow of information in your business with better technology.

### DEX Imaging – Better Document Technology

Printers, Copiers, MFPs and Document Imaging Technology, the easy way.

#### WHY DEX IMAGING?

#### Quite simply, we help businesses do business better!

##### The Best Products

We don't just sell you any equipment that comes along - we choose the best, most reliable models from the nation's top imaging equipment manufacturers, tested in-house for reliability, and pair them with your unique business requirements.

##### Industry-Defining Service

We don't just offer service, we redefine it. With a best-in-class training program, industry-leading employee compensation programs, and the best network of parts warehouse and dispatch resources available, we minimize downtime and make sure your business runs smoothly.

##### Environmental Consciousness

Our solutions don't just work for you, they also work for the planet. Everything we sell and every product we develop has been selected to make our world a better, more sustainable place to live.

So take a look at DEX Imaging and you might be surprised at the depth and quality of our company and the services we provide.
