ECSD NEWS RELEASE

July 12, 2017

For Immediate Release

ECSD School-Age Child Care Registration Information *Registration Starts Aug. 3, 2018*

Pensacola, FL: The first day of school in Escambia County this year is August 13. As parents get ready for the kids to return to school, many also need to make their arrangements for after-school child care. Some of the schools offer their own program on-site, while many others work with Campfire, Childhood Dreams, Creative School Age Child Care, or YMCA.

Registration for all on-site child care begins Friday, August 3, 2018.

“Our mission is to assist families by providing affordable, high quality child care on-site,” explained Aisha Adkison, ECSD School-Age Child Care Coordinator. “Our schools points of contact, as well as the other agencies who work with us on our campuses, will be available to help families with the registration process starting next week. We all urge parents to make contact as early as possible, to help everyone plan for a smooth transition on the first day of school.”

Contact numbers for each childcare program are listed below.
