PENSACOLA, FL-**

Montessori School of Pensacola is hosting two free, public overviews for parents and the Pensacola community. The first will cover the Kindergarten year in a Montessori classroom. The second will look at the Lower and Upper Elementary programs (1st-6th grades).

These events will showcase the enriching hands-on materials from different curriculum areas in Montessori education, the different ways lessons are presented in the multi-aged class settings, and allow attendees to ask questions, meet staff, and see classrooms.
