DIGITAL BOARDWALK LAUNCHES NEW VIDEO-CENTRIC WEBSITE

Pensacola, FL, September 27, 2018 – Digital Boardwalk is excited to announce the launch of our new website located at www.digitalboardwalk.com.

“To better complement our second-stage growth this past year, we recently launched a new, smart website that is more cohesive to our brand, easier to navigate, and better conveys who we are as a company in 2018. We are also very excited to showcase our amazing team here at Digital Boardwalk,” says Tim Shoop, CEO.

About Digital Boardwalk

Digital Boardwalk provides comprehensive technology management and consulting services for small and medium-sized businesses across the country. We help customers achieve reliability, security, and peace of mind through award-winning support, cybersecurity, cloud computing, and backup services. We know that technology is integral to your business, so we work diligently to keep your technology working for our clients.

Our team of certified technology specialists bring their individual expertise and knowledge to each job at hand. Together, we promise to provide you with the best customer service experience, industry-leading technology, and continuous innovation, all catered to your specific needs.
