### ***Free Dog and Cat Food to Furloughed Coast Guard Members***

Calling all Coast Guard families! As a thank you for all our Coast Guard members do to keep us safe while we enjoy the beautiful waters of the Gulf Coast, Pensacola Humane Society is offering free dog and cat food from our pet pantry (while supplies last) to all Coast Guard members and families who have been furloughed in the government shut down.

PHS will continue to provide this service until Coast Guard members receive their first paycheck following the reopening of the government. Please bring your military ID to our 5 N Q street location.

Those who would like to help PHS support our Coast Guard may bring cat and dog food, both wet and dry, and treats to Pensacola Humane Society Tuesday – Saturday from 12 - 5 pm and Sunday from 1 – 4 pm.
