from a bright future.

For Immediate Release:

AMIkids Pensacola to receive in-house food pantry

PENSACOLA, FLORIDA, September 25, 2018 — We hope you will join AMIkids Pensacola on Saturday, September 29 at 3:00pm, as FoodRaising Friends initiates its partnership with AMIkids Pensacola to install a food pantry at AMIkids' Pensacola facility at 3685 Muldoon Road. The in-house food pantry will provide students and their families with a Friday Food Box if so chosen by the students. On Saturday, we'll be stocking the new pantry, giving tours of the school and meeting and greeting the AMIkids staff serving the incredible students working toward their GEDs and vocational certification.

About AMIkids Pensacola: Since 1991, AMIkids Pensacola has been dedicated to helping kids discover the potential within them, transform their lives and strengthen our community. Located in Pensacola, Florida, AMIkids Pensacola empowers our kids through care and guidance to reach that potential and, as a result, breaks the cycle of failure and poverty. Each year, AMIkids Pensacola provides services to an average of 90 teens, leading to an impressive 77% success rate.

About FoodRaising Friends: FoodRaising Friends, Inc., works with businesses and individuals to collect donations to help provide food bags and boxes to children and their families at risk for hunger. Each bag or box can responsibly feed a family of four 1-2 meals a day for two weeks. Items include breakfast meals, lunches, and maybe even a dinner like spaghetti. Each bag can cost on average \$56 per bag. But imagine how far much that \$56 means to a family that can now fix their family 10-14 meals, it is an incredible gift!
