Sansing Foundation Helping Transform Lives

Waterfront Rescue Mission is continuously working to serve the needy, help the addicted, and bless the homeless. It's not easy, and the expenses are high to house over 170 men each night as they work to further their physical, spiritual, and mental well-being. That's why it's such a blessing to see an email come in that shows large donations. And it's especially a blessing when that donation has a comma. The email that came in showed that the Sansing Foundation had made a \$15,000 contribution to further the work of Waterfront Rescue Mission.

In honor of the Sansing Foundation recognizing Waterfront Rescue Mission as the leader in Rescue and Recovery Services, we have invited Sandy to come by for a special meeting on Wednesday, December 12th, 2018 at 8 a.m. at Waterfront's Veterans Memorial Center. What Sandy does not know, is that we will have clients in our program ready to surprise him to say 'thank you' for his generous donation to Waterfront! It is my hope that you will attend and share this blessing with the community. Great gifts deserve great recognition.

For interviews or tours to see what Waterfront Rescue Mission is doing to fight homelessness and addiction, please contact me at your earliest convenience. Thank you!
