WED, JULY 2ND • 4:30 PM

Dear Pensacola Chamber Members,

I'm excited to introduce myself as a new member of the Pensacola Chamber and to personally invite you to a fun and valuable networking event on Tuesday, July 2nd at 5 PM at Seville Quarter in Downtown Pensacola.

This is a great chance to meet fellow professionals, grow your network, and enjoy a relaxed evening in one of Pensacola's most iconic venues. I've attached a flyer with all the event details — I hope to see you there!

By day, I help businesses across Northwest Florida stay connected as a commercial Internet Service Provider.

Uniti is proud to support many of the region's largest organizations with fast, reliable service, responsive support, and competitive pricing.

We're also a key partner in the communications infrastructure that keeps our Gulf Coast communities connected.

By night — well, I like to say I fight crime!

In reality, I'm deeply passionate about community safety and proudly serve as the Chairman of Gulf Coast Crime Stoppers, a 501(c)(3) nonprofit.

You might recognize us from the "Wheel of Fugitives" segment that airs every Wednesday on WEAR TV3.

If you're interested in making a difference, I'd love to chat about how you can get involved as a volunteer.

Let's build stronger business relationships — and a safer community — together.

About — Gulf Coast CrimeStoppers
